LOCAL PARTNERS	Bac Giang Province Sponsor Association for the Disable People and Orphans (SADPO)
FUNDING AGENCIES	European Commission Autonomous Province of Bolzano
STARTING DATE	June 2009
IMPLEMENTATION PERIOD	16 months
DESCRIPTION	This project continued in the direction already laid out in the Bac Giang Province thanks to the previous project, FLAME, and its actions are aimed at improving the skills and the roles of different involved parties to reach a more complete application of the Provincial Disability Plan (PPD), oriented towards creating a service network for disabled people and towards bettering their scholastic, occupational, and social integration.
OBJECTIVES	The project contributed to the creation of a service network for disabled people and towards bettering their scholastic, occupational, and social integration.
ACTIVITIES	<ul style="list-style-type: none"> • Organization of training activities for provincial staff and local NGO workers; • Reinforcement of institutional mechanisms for the implementation and monitoring of the Provincial Disability Plan; • Implementation of small projects aimed at the integration of differently-abled individuals, with particular attention to the initiatives proposed by local women's associations, aided by micro-financing packages made available by the project; • Organization of awareness and informational campaigns targeting local citizens, as well as workshops aimed at fostering debate about development opportunities in the job sector tied to the production of technology and protection mechanisms for the disabled; • Publication and diffusion of the results obtained through awareness campaigns, informational materials, websites, and other informational means.
