Egypt Specific Call - MedFilm4all Call for Proposals FAQ - Frequently Asked Questions

1. **ELIGIBILITY:**

1.1. Where the projects must take place to be eligible? To be eligible the projects must take place in Egypt.

1.2. Is it possible to have co-applicants that come from other countries in Africa, outside the Mediterranean region? As specified in call guidelines both the lead applicant and the co-applicants, must be established in Egypt. As a consequence, African partners who are not established in one of these countries will not be eligible for the grant.

1.3. What is the minimum and maximum numbers of co-applicants per project? The project can be presented by one partner or if in consortium shall be made of a maximum of two partners in total. One of the partners shall act as lead applicant and the other(s) as co-applicant(s).

1.4. Is it eligible to submit a proposal with two or three co-applicants? No, it is not eligible. To be eligible the project consortium has to be composed by one lead applicant and maximum one co-applicant.

1.5. Concerning the three types of activities “Educational Activities”, “Distribution”, and “Awareness Raising and Advocacy”, is it possible to have an overlap of activities? Yes, your project can involve elements of more than one type of activities.

1.6. Are the constructions and/or purchase of land/buildings eligible costs under this call for proposals? As specified in the Call guidelines, section 2.2 “Ineligible costs”, under this call for proposals the constructions and/or purchase of land/buildings ARE NOT eligible costs. Instead renovation works are eligible costs, provided they are not the main activity of the project.

1.7. Can individuals apply for the grants? No, individuals cannot apply for the grants. Applicants must be legally registered organizations in Egypt. Please check the Eligibility Conditions specified in the call guidelines, section 1.1.3 “Eligibility of the applicants”.

1.8. Can I apply if I have already received funds from other EU funded projects for the same action? The fact that an organization already receives EU funds should not necessarily disqualify the organization from applying. However you need to demonstrate that the EU funds are spent on distinct activities in the framework of MedFilm4All.

1.9. Can local authorities apply for the grants? As specified in the call guidelines, section 1.1.3 “Eligibility for applicants”, local authorities can apply for the grants.

1.10. Can public bodies apply for the grants? As specified in the call guidelines, section 1.1.3

This project is co-funded by the European Union within the framework of the regional programme Med Film

“Eligibility for applicants”, public bodies can apply for the grants. Please be aware within this call “public bodies” are considered as follow: “eligible public bodies include broadcasters and institutions providing higher education and training in areas related to the call”.

1.11. **Can no-profit film industry actors apply for the grants?** As specified in the call guidelines, section 1.1.3 “Eligibility for applicants”, no-profit film industry actors can apply for the grants. Please be aware within this call with “no-profit industry actors” are considered as follow: economic operators, such as SMEs working in the film or audiovisual sector registered as non-for profit organisations are eligible.

1.12. **What is meant for audio-visual products in this call?** In this call for proposal audio-visual products include Arab films with a diversity in terms of genre, category, duration and country of production. The list includes: films proposing a non-stereotyped image of women and men; films showing women daily lives and their struggle to access to social and economic opportunities; films tackling social issues, such as Gender Based Violence, homophobia, extremism; films representing human rights defenders, especially women or LGBT; films directed by women, tackling sensitive/social issues and enhancing debate and critical views. A list of gender sensitive Arab films is available in the form of Annex H for you to choose films to screen during your activities. Be aware that film rights shall be negotiated.

2. FINANCIAL PROVISION:

2.1 **What is the amount of each grant?** Any grant requested under this call for proposals must fall between minimum EUR 80,000.00 and maximum EUR 82,000.00

2.2 **Do we provide a budget template?** Yes, we provide a budget template and it is mandatory to complete it in order to apply.

2.3 **Do organizations applying have to create a dedicated Budget line for the “screening right rates” of the films they would like to screen in their project?** Organizations applying have to create a budget line dedicated to “screening right rates”. The negotiation rates are not established yet with the authors of the films. For this reason organizations have to contact the authors of the films (provided in Annex H) and make a deal for the negotiation rates.

2.4 **Must organizations applying co-finance their projects?** Yes, as specified in the call guidelines, section 2.3, organizations applying must co-finance a minimum of 5% towards the project, in the form of either money or in-kind contributions. In-kind contribution should not exceed 10% of the co-financing share.

3. LIST OF FILMS:

3.1 **Is a list of films provided under this call?** Yes, a list of films it is provided under this call, in the Annex H – List of films;

3.2 **Is it possible to propose other films that are not in this list?** As much as possible we ask you to refer to Annex H to choose films for your activities. If you think other films not in the list are really

This project is co-funded by the European Union within the framework of the regional programme Med Film

worth for your projects you can propose these films in your application. Anyway, all the films proposed in the applications have to pass the review of the MedFilm Artistic Committee before organizations can use them.

4. LANGUAGE:

- 4.1 Is it possible to submit the application in Arabic?** No, it is not possible. All applications must be submitted in English. All official documents in Arabic (for both lead applicant and co-applicant) must include a translation into English (mandatory condition). In case the official documents submitted will not include a translation into English the proposal will be excluded from the evaluation.
- 4.2 Are call guidelines available in Arabic?** Yes, call guidelines ONLY are available in Arabic. All the call Annexes are available in English, as applications must be submitted in EN.
- 4.3 Is it possible to provide WW-GVC with project reports and project outputs in Arabic?** It is not possible to provide project reports and outputs in Arabic, but it is possible to include in your project proposals a budget line for translation of reports and project outputs from Arabic into English. However, the project focal point needs to be fluent in either English, in order to communicate with MedFilm coordination team regarding the progress of activities.

5. DURATION AND LOCATION

- 5.1 Can the lead applicant apply in a consortium with more than one co-applicant and can these partners be established in the same country?** Yes, the applicant can apply with one co-applicant maximum. The co-applicant can be established in the same country of the lead applicant.

This project is co-funded by the European Union within the framework of the regional programme Med Film

5.3 What is the minimum and the maximum duration of the project? The projects have to last 8 months.

6. APPLICATION:

6.1 Can applicants submit more than one application? Applicants can submit more than one application only as co-applicants. Organizations applying as lead applicants can only submit one proposal.

6.2 Can an organization apply as lead applicant in a proposal and as co-applicant in a different proposal? No, only as co-applicant an organization can apply more than one time

6.3 How can I apply for the grant?
